## New Threat Looms in Meat Industry

WINNIPEG, Jan. 17.—(CP)—A vote of 856-0 authorizing the national executive of the United Packinghouse Workers of America (U.P.W.A.) to call a nation-wide strike ballot among its locals raised its head today as a new threat to peace in the already troubled Canadian meat packing industry.

THE VOTE WAS REGISTERED by union employees of Canada Packers' St. Boniface plant last night after they rejected a company proposal on hours of work.

EMPLOYEES of two other Winnipeg district packing plants—Swift Canadian and Burns and Company—will consider similar company proposals at meetings tonight and tomorrow night. If the proposals are not accepted, a vote on authorizing the national officers to poll all locals on a general strike may follow.

ABOUT 2,000 WORK at Canada Packers and about 1,200 at each of the other plants. Meanwhile it was announced at Toronto that employees of Swift Canadian and Canada Packers have agreed to a new contract.

## "Mechanical Man" Steel Robot Helped Battle Japs' Kamikaze Attacks

ROCHESTER, N.Y., Jan. 17.—(AP)—"Steel robot," eight feet high and weighing one ton, gave naval aviators a new ally in the battle against Japanese kamikaze attacks late in the war, Eastman Kodak Company disclosed today.

THE MARK IV DIRECTOR, utilizing both radar and optical sighting devices, permitted the operator to follow an enemy plane by night or day, through clouds and fog, a joint company-navy report said.

Guns firing shells contained the proximity fuze were positioned automatically by the "mechanical man," installed first on the battleship Missouri and the cruisers Alaska and Guam.

THE COMPUTER MARK IV, installed in the director to relay movements to another computer below decks, was described as "the director of the director which replaced the massive radar indicators in the ship's superstructure and complex devices on deck which directed anti-aircraft fire earlier in the war."

## \$125,000 Estate Involved Victimized by Lawyers Calgary Man Charges

CALGARY, Jan. 17.—(CP)—The Calgary Alberta today carried the following story: A statement of claim concerning the disposition of a \$125,000 estate was filed in the Calgary superior court today. The plaintiff, Albert C. Wittman, Kd., Edmon- ton lawyer, filed the claim against Clifford G. Purvis, Kd., Edmon- ton lawyer, and the plaintiff's wife, Mrs. Wittman.

IN DECEMBER, 1938, the plaintiff's wife died leaving her entire estate to his widow, Mrs. Wittman, of Edmonton. When she died in October, 1944, a will was drawn up by Mr. Purvis, her former solicitor, which left an estate of net value in excess of \$125,000 to her stepson, Albert C. Wittman. The manager of the Royal Trust Company in Montreal was named as executor.

During her latter years, however, Mrs. Wittman charged her solicitor, Mr. Edward Everly Bishop, an Ontario lawyer, became her legal adviser.

When Mr. Wittman was 1944 was disclosed, Bishop produced a statement of claim for \$125,000, which was filed in the superior court of Ontario.

## Edmonton Flier On Warsaw Trip With Penicillin

OTTAWA, Jan. 17.—(CP)—The RCAF mail squadron has just delivered another cargo of penicillin to Warsaw, it was announced here today.

There were 1,000,000 units in the 200-pound cargo that will be used to fight disease in war-torn Poland. The No. 16 Squadron now has carried 8,600,000 units of penicillin for the United Polish Air Force.

The last leg of the trip was made in a C-47, which was piloted by Sqdn. Ldr. R. C. Hamber, DFC, of Victoria and Hamilton, P.C., and Sqdn. Ldr. L. B. Schauberg of Edmonton.

## Train Kills Six

JOLIET, Ill., Jan. 17.—(AP)—Six Joliet residents, including two couples, were killed today when their automobile and a westbound passenger train collided at a crossing in nearby Rockdale.

## Senator Dies

ST. PAUL, Jan. 17.—Fire which broke out at 8 p.m. Wednesday destroyed three buildings in the main business section of this town, and causing loss estimated at \$200,000.

FOR NEARLY THREE HOURS the fire raged, supplemented by the RCMP detachment and a large number of residents, fought the stubborn flames and it was only due to exceptional efforts that greater damage was prevented.

The fire broke out in a three-story building on Main Street, formerly occupied by the Bank of Commerce. The main floor was occupied by an auto wrecker company, a radio shop and a warehouse. The second story was set aside as living quarters, but was occupied at the time. The third story was occupied by the T. J. Sheehan, dentist, and the Charles Gauthier real estate office.

THE FLAMES quickly spread to the buildings adjoining on both sides. On one side was the Darling Laidlaw store and on the other the 865,000 sq. ft. Sequoyia employ- ment centre.

The buildings, of frame construction, were completely destroyed.

## Truman Acts Hold Meetings On U.S. Strikes In Washington

NEW YORK, Jan. 17.—(AP)—How of settlement of war disputes affecting more than 1,000,000 United States workers in the steel and metal industries, including some 365,000 in the automobile industry, centered on meetings in Washington today.

TRUMAN called a meeting of the threatened strikers of 800,000 United States workers in the steel and metal industries, including some 365,000 in the automobile industry, centered on meetings in Washington today.

## Belgium Urges UNO Arms Control Britain Offers Give Up Mandates

LONDON, Jan. 17.—(AP)—Belgium today urged the United Nations Organization to take steps to bring about a general disarmament of the world.

THE UNITED NATIONS today received an offer from Britain to put three African mandates under UNO trusteeship and a proposal by Jan Masaryk of Czechoslovakia for UNO control of the entire world armaments industry.

FOREIGN MINISTER Ernest Bevin said preliminary negotiations had started for Tanganyika, the Cameroons and Togo and to pass into UNO trusteeship from the status of British mandates.

Bevin also announced that Transjordan would be declared independent and reserved a pronouncement on Palestine until the Anglo-American inquiry is finished.

Masaryk followed Bevin to the United Nations to control all forms of war including the "most devastating invention."

"MAY I ADD here in all humility that with profound confidence I am not one particle of transmuting material for atomic bombs produced in Czechoslovakia will ever be used."

THE COUNCIL also requested that Prime Minister Churchill, a Labor party member, expedite the request for Transjordan to be declared independent.

# The HARPER HEADLINE

By Capt. HARPER PROWSE, M.L.A.

THERE is probably more harm done by more and unhappiness caused by well-intentioned fools than by any other group of persons. And in spite of all the careful choosing that has been and is still being done there still seems to be a number of this particularly troublesome group employed by the various government departments set up to help veterans re-establish themselves in civilian life.

I HAVE RECEIVED reports from various men, in various sections of the province, that when they applied for vocational training courses they were told by officials that before they could be accepted for the course they have to produce a written statement from some employer stating that he will employ the man when he has completed his training. I checked this with the departmental heads and have been assured that no such ruling has ever been made. But junior officials seem to be still doing this in some cases at least.

The stupidity of insisting on such a letter as a prerequisite for a training course of any kind should be obvious. In the first place not many employers are going to be willing to accept responsibility for hiring a person whose abilities and skills are not only unknown but untested but have yet to be acquired.

IN THE SECOND PLACE most of the courses are about 20 weeks in length, and even generous employers are not in a position to state definitely that they will have an opening in their establishment a year from now. At best, such a letter could be no more than a conditional promise.

Nor is it fair to the man himself. He might not be successful in the

## First Priority For Discharge Of Yanks Here

Demobilization has top priority with the American Army units located here, Alaskan Division Headquarters of the USAAF Air Transport Command announced Thursday.

NEXT TO DEMOBILIZATION, however, an intensive recruiting campaign is being conducted, and efficient disposal of surplus property, have the right of way here at the present time.

At Nanaimo, which the RCAF is taking over, War Assets Corporation has accepted all but five per cent of the surplus property. Hardware, plumbing and building materials comprise the accepted property.

Along the railroad, a substantial number of buildings have been vacated and "pickled"—that is, utilities have been shut off and fire prevention measures taken. The U.S. government operates a third and fourth echelon maintenance shop and a large vehicle storage area. The laundry is being closed as of Jan. 31.

THIS INSTALLATION, composed of modern warehouses and a large mess hall, will be sold by War Assets.

In regard to the recruiting program, Captain Mervin D. Adams, personal affairs officer, announced that so far 800 Air Transport Command personnel in the Alaskan Division have re-enlisted.

Adams said that the program to re-enlist personnel is being handled by the Alaskan Division, said Captain Adams.

However, all recruiting officers have been cautioned against "over-selling the idea. We sincerely believe that an intelligent, dedicated and informal presentation of regular army features will effectively inform those who are interested. With this information at hand, potential enlistees can more readily and logically make their decision."

**University Chorus Will Give Concert**  
Next Jan. 21 and 22 promises one of the most outstanding choral performances to be given in this city. The University Mixed Chorus, which performed last year in Convocation Hall, is to be heard in a program of fine choral music.

The concert will be given in McDougall church under the direction of Gordon M. Clark, who led the chorus last year.

THE CONCERTS are sponsored by the Students' Union of the university and make up the largest single musical undertaking to be presented by the Alberta variety. At this time, the university boasts the largest mixed chorus in Canada, approximately 130 voices. The chorus concert is the major campus production of the year.

**Fusslers' Reunion Set For March 16th**  
The Battle of Edson Fusiliers will hold a reunion on March 16 at a meeting of the association held in the Victoria armory Wednesday night. As to where the event is to be held has not been announced yet. It is hoped that all members of the unit will be home from overseas by then.

MR. RUTHERFORD was born in Dundalk, Ont., educated there and came to Edmonton in 1907. He retired in 1933 moving to the west coast and then to Oregon.

The body will be brought to Edmonton for burial in the family plot, Beechmount cemetery. Funeral service will be conducted at Howard and McEldrich chapel 2 and 3 on Saturday by Rev. W. T. Young.

Survivors include a daughter, Mrs. J. Gordon Sinclair of Edmonton; three sons, Ralph of Edmonton, George and Arthur of Vancouver; two brothers, three sisters and seven grandchildren.

## I Saw Today Fur Auctions Get Underway In Edmonton

In a long white room in the Donald H. Bain building on 108 street, here-eyed businessmen hunched forward in their chairs. Pencils scratched across mimeographed forms as the auctioneer's voice snapped through them after item on his lists.

THE BUSINESSMEN sitting in on the opening sessions of the Edmonton Fur Auction Sales Ltd., monthly market gathering, Thursday morning had at their fingertips furs from Alberta, the North West Territories, British Columbia, the Yukon and Saskatchewan. Most of them were brokers representing manufacturers in the United States and Eastern Canada. Others were buyers for the United States and Eastern Canada.

Ed had visited the 11-year-old Edmonton fur auction center in the course of their regular cross-country trips to the United States and Canada. WILLIAM LEVINE, quiet-spoken manager of the firm, told of the goods that awaited the brokers' bidding. 500,000 pounds of muskrat, 800,000 lbs. of mink, 4,000 mink, 3,000 muskrat, 1,500 silver fox, ## WED AT THE U.S. AIR BASE CHAPEL

## Tea Honors Miss McCreath

## In honor of her daughter, Miss Beatrice Marion McCreath, whose marriage to Robert Orval Laking is an event of Saturday, Mrs. John T. McCreath was hostess at a frugal tea, held at her home, 1128 27 street, Wednesday afternoon and evening. More than 150 guests called.

## Receiving her guests, Mrs. McCreath chose a mauve afternoon frock, complemented with a corsage of cream roses. The bride-elect wore a frock in a contrasting mauve with a corsage of yellow roses.

## Mrs. W. H. Gibson assisted in receiving.

## The RECEPTION room was decorated with baby chrysanthemum and the tea table was set with a cutwork cloth and centered with yellow daffodils and mauve chrysanthemums in a silver basket. Tall white tapers in silver holders flanked the centerpiece and low silver service cups on the table.

## Presiding at the tea during the afternoon for the first hour were Mrs. T. Swart and Mrs. Wallace Yull. Shining honors in the second hour were Mrs. K. P. Wilson and Mrs. J. Tanner and during the second hour were Mrs. Frank Williams and Mrs. Ben Johnston.

## In the evening, Mrs. Kenneth McCreath and Mrs. William Allan Allen and Jean Hughes.

## Miss Nancy Ewart and Mrs. W. Brown assisted the bride-elect and her mother with the guests and Mrs. W. Mayson had charge of the kitchen.

## Seek Report On Licensing Baby Shelters

CALGARY, Jan. 17.—(CP)—The provincial department of health has asked the Calgary Council of Social Agencies to recommend licensing regulation for baby shelters in Alberta, it was reported at a meeting of the board of council Monday night.

A COMMITTEE of four has been set up to draft a report on licensing and inspection of baby shelters and foster homes in Calgary.

Included in the draft report which will be submitted to the board for approval is the recommendation that every home being used as a baby shelter or foster home be licensed by proper provincial authorities. It was said that several homes now caring for Foster children are not licensed.

THE REPORT will also recommend that shelter and foster homes be regularly inspected by a representative of the provincial department, and that regular reports on the child and the home be submitted.

The maximum number of children cared for in any home should not exceed five, the report recommends, with not more than three children under two years of age. The ideal program would be one foster child in one foster home except for family groups, it was stated.

FOSTER parents should have a regular income and board payments for foster children should be essential for the maintenance of the home, the report states. It was pointed out that some persons are supplementing their income by taking in children.

If the report is approved by the board it will be sent to the provincial department of health. The Calgary Council of Social Agencies is working in co-operation with the Edmonton council.

## Rural Hospital For Calgary Area

CALGARY, Jan. 17.—(CP)—A meeting to consolidate plans for the construction of a 200-bed hospital in Calgary to serve only the district around the city will be held here Thursday. Tentative plans and even a proposed budget have been submitted to all the towns, villages, municipal districts and local improvement districts in the area, and all will be presented Thursday to say whether and how they wish the project pursued.

The area concerned extends about 30 miles away from Calgary to almost every direction of the compass, and in that direction about 30 miles.

IT IS EXPECTED that the delegates at Thursday's meetings will ratify what has already been decided by the Calgary Council of Social Agencies.

The provincial government, which was asked to set up a hospital district in the area, is expected to after that a plebiscite of all ratepayers will be held to get their sanction for the \$200,000 hospital. A two-thirds majority will be needed.

**Jewish Women Will Give Two Research Prizes**

TORONTO, Jan. 17.—(CP)—The National Council of Jewish Women decided at yesterday's sessions of the fourth triennial conference to give two scholarships totaling \$4,000 to students specializing in research for the control of cancer and the use of blood plasma.

First prize money of the council is to be the result of a drive through official agencies of rationed foods and vitamins to the children of Europe.

Mrs. Harold Loe of Toronto was elected president. Other officers elected included: Mrs. A. Holsberg of Winnipeg; Mrs. Newton Zeman, of Calgary, vice-presidents.

Mrs. J. J. Diamond, Vancouver, will be recording secretary and Mrs. A. Friedman of Edmonton a member of the board.

Alaska has only one person for every 19 square miles of territory; the continental United States has 43.

## John Roberts Ends 48-Year Railway Career

MONTREAL, Jan. 17.—A 48-year career, from machinist apprentice in Scotland to head of the Canadian National Railways mechanical department, has come to a close for John Roberts, managing director of National Railways Maritime Limited, operated by CNR here. His retirement under the company's pension rules on the cessation of activities of the maritime plant was announced at system headquarters.

**PURSUING HIS LONG SERVICE** with the CNR, Mr. Roberts played a prominent part in many new developments and improvements in the company's motive power department. When the several railways were consolidated into the Canadian National System in 1923, Mr. Roberts organized the shop and works department, and he was in charge of the various types of motive power. Upon the formation of the mechanical section of the management Co-operative Movement, he became its first chairman. His wide knowledge of machinery and shops gave him a big part in the designing part of the company's locomotive and shop and power house at Montreal.

**INSTALLATION OF THE FIRST** air-conditioned system to be used on CNR equipment was supervised by him. His first interest was in motive power, and he played a part in designing the famous streamlined 4400 class and the 8200 type, rated to be the most powerful for its weight in this country.

When war came, Mr. Roberts had a big part in the layout of the National Railways Maritime Limited plant. When it was completed, in addition to his regular railway duties, he assumed direction of the plant, and in 1943 devoted his full time to the important work of producing munitions, he became managing director. The big plant turned out nearly 2,000 naval mines, carriers, mounting various other pieces of war equipment.

**MR. ROBERTS** is on the advisory committee of the Locomotive Maintenance Officers' Association; a member of the American Society of Mechanical Engineers; a past president of the Canadian Railway Club and a member of the Toronto Railway Club.

**Labor Blacklists Gloucester Aid**

CANBERRA, Jan. 17.—(Reuters)—Bris. Derek S. Schreiber, chief of staff to the Duke of Gloucester, governor-general of Australia, and his wife, Viscountess, Lady, yesterday were declared "blacklisted" by the Canberra trades and labor council for alleged victimization of an employee.

The council called upon every trade unionist to refuse any service to the Schreiber household.

**TRADES COUNCIL** officials said all union labor would be withdrawn within 48 hours from the employment of Mrs. Schreiber, whose wedding was a spectacular event here last October.

A. Blumenfeld, secretary of the trades and labor council, told at a meeting the employee was Ernest Field, 25, a veteran of the Dunkerque evacuation of 1940.

**CARNIVAL**

## GI Demonstrations Banned in Europe

FRANKFURT, Germany, Jan. 17.—Gen. Joseph T. McNarney Wednesday banned all unauthorized mass demonstrations of United States soldiers in Europe, saying that such meetings might be "exploited by some individuals or elements" to the injury of army discipline.

A tendency has been noted on some occasions to use the meetings for purposes other than urging more rapid re-deployment, said the theatre commander's order, directed to all major commanders in Europe.

The soldier demonstrations have served the purpose, Gen. McNarney said.

Gen. McNarney said permission for mass meetings in the future should be given by commanders only when they were certain the purpose was a worthy one. But he placed upon the officers the responsibility for speedy transmission to the proper authorities of all requests for such meetings.

Theatre staff officers said they understood similar orders were planned by the war department to halt the recent wave of demonstrations which swept to every corner of Europe and the Pacific theatre in January.

Demands for speedier demobilization, demonstrations in the theatre have been made since the announcement by Gen. Eisenhower, chief of staff, of a new re-deployment program which assures every soldier qualified for discharge by July 1 that he will be out of the army by that date.

**Petrillo Target Of Proposed Law**

WASHINGTON, Jan. 17.—(AP)—A bill aimed at James C. Petrillo, head of the American Federation of Musicians (AFM) took shape in the House of Representatives yesterday.

Chairman Clarence Lea (Dem., Cal.) of the Commerce committee introduced it and scheduled a committee session on it Thursday. Representative C. C. Brown (Rep., Ohio) of the committee predicted passage.

"The country is pretty well fed up with Petrillo," Mr. Brown said. "He has done too much for the government cannot afford to permit."

The bill would outlaw force or threats to compel a radio station to "pay tribute" for the play tribute of large of producing or using records, or to refrain from broadcasting a non-commercial educational or cultural program where the participants receive no pay.

4. To refrain from broadcasting programs originating abroad.

**Earl of Halifax Successor Named**

LONDON, Jan. 17.—(Reuters)—Sir Archibald Clark Kerr, British ambassador to Soviet Russia, will succeed the Earl of Halifax as ambassador to the United States, well-informed political quarters here predicted yesterday.

Since the Labor government took office in Britain last July there has been considerable speculation as to a successor for Lord Halifax, former foreign secretary and prominent in the Conservative party. He expressed his intention to retire several months ago.

SIR ARCHIBALD, 64, has been ambassador to various Central American republics, Sweden, Iraq and China. He went to Moscow in 1942 as successor to Sir Stafford Cripps, former foreign secretary and prominent in the Conservative party. He expressed his intention to retire several months ago.

It is understood no definite decision has been made as yet for a successor to Sir Archibald in Moscow. Sir Maurice Peterson, ambassador to Turkey, is said to be in the favor.

Some sources feel that the appointment of a new ambassador to Moscow is of such importance in the number of prominent names will be reviewed by Foreign Secretary Bevin.

**Canadian Carrier Is Commissioned Soon**

BELFAST, Northern Ireland, Jan. 17.—(CP)—The 18,000-ton aircraft carrier Warrior, the first capital ship in the Royal Canadian Navy, will be commissioned here Jan. 24 at a ceremony attended by Mr. Hon. Vincent Massey, Canadian high commissioner in London, and Earl Granville, governor of Northern Ireland.

Commanding officer of the Warrior, one of the major units of Canada's post-war fleet, will be Capt. Frank Houghton of Ottawa, head of the Canadian naval mission in London during the last two years.

The warrior, one of two aircraft carriers which the Canadian Navy will have, will carry 30 aircraft. Her anti-aircraft armament includes Bofors guns and four-barreled two-pounder "pom-poms." She will have a crew of 140 officers and 1,100 ratings.

The permanent Canadian fleet will include two cruisers, a dozen destroyers and auxiliary craft, a certain number of frigates, according to an Ottawa announcement last autumn.

The warrior's amenities will include a 15-piece band, a movie theatre, an amuseur bar and a library with 2,000 volumes. The ship is equipped with a 16-bed hospital and an operating theatre.

Arizona, Colorado, New Mexico and Utah are the only four states in the Union which touch each other.
